

Means Test Months Chart

If the month is....

January		collect		July - December
February		collect		August - January
March		collect		September - February
April		collect		October - March
May		collect		November - April
June		collect		December - May
July		collect		January - June
August		collect		February - July
September		collect		March - August
October		collect		April - September
November		collect		May - October
December		collect		June - November

Depending upon the month your bankruptcy is filed (see above chart), request from Payroll/Human Resources a Pay History (complete with Gross wages, Tax deductions, Other deductions and Net income) for the 6 month period applicable **and** also request (if you do not save your pay stubs) the last 60 days of actual pay stubs for use with Schedules I and J and Means Test.
